#2-Mask On

Bad old city...

Greetings!

We need to talk about business Wayne, real one!

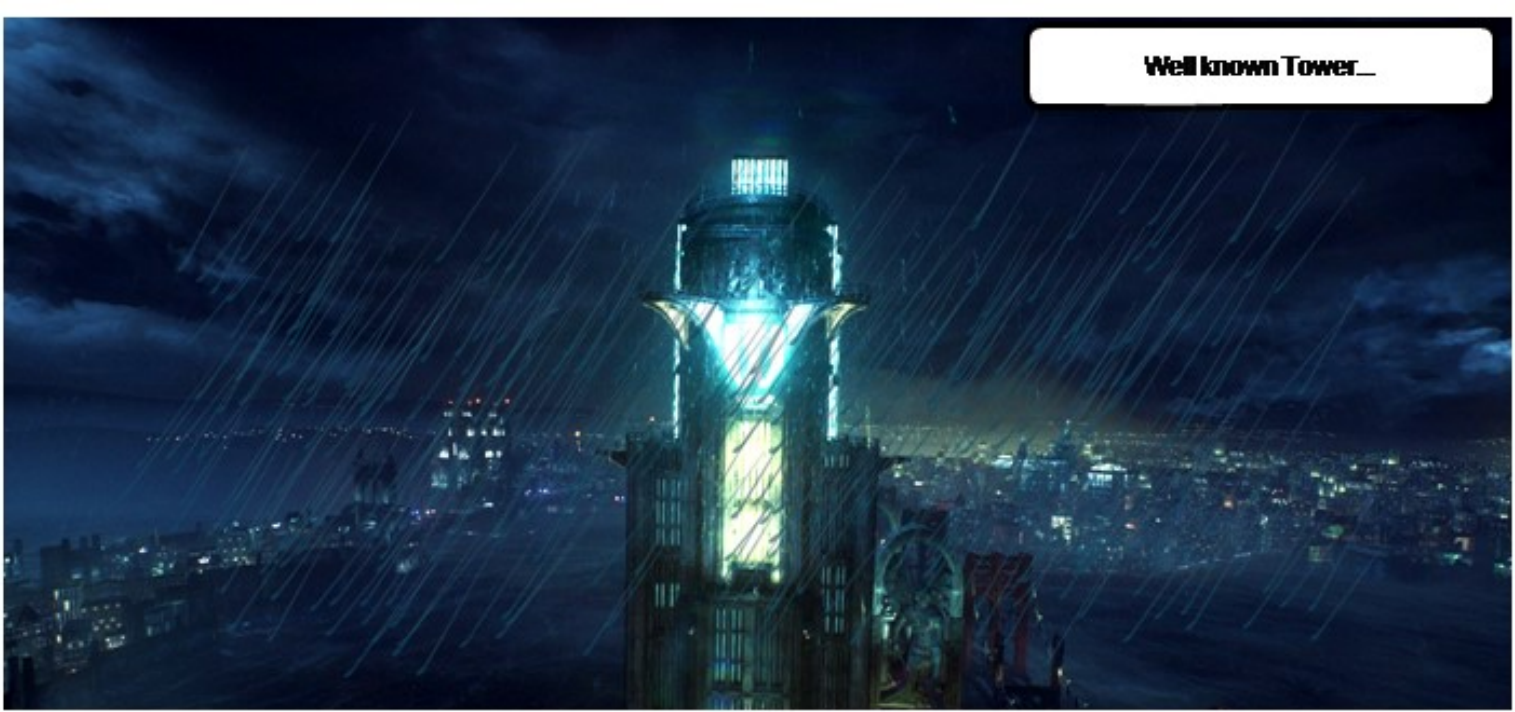

I'm all ears.

Let's go, somewhere more private.

Well known Tower...

What is it you need, Sionis?

All money for poor, invested in Sionis Industries. Of course... there is profit...

Oh, I know what you want... Only more money to smuggle drugs.

Real home...

I know Alfred, but this is my calling.

Bruce, you got frustrated with provocation about your parents, you can't allow that to yourself.

Just... The number of monsters, worse than Joe Chill, that you will face, the pain, the suffering, be ready for everything. Know that I will be there for you in your every decision.

Thank you.

I'm fighting gang bosses as Black Mask, Falcone and Penguin with investing in police, but it isn't enough, they need to be taken down. No matter the cost!

Illegal Business facilities...

SIONIS
INDUSTRIES

Hmm, secret
meeting... Black
Mask and
Falcone...

**Guys, take the drugs
that Mister Falcone
gave us.**

It is a pleasure doing business with you, next package, next Sunday?

Next Sunday it is...

Now if you'll excuse me, I've got to go.

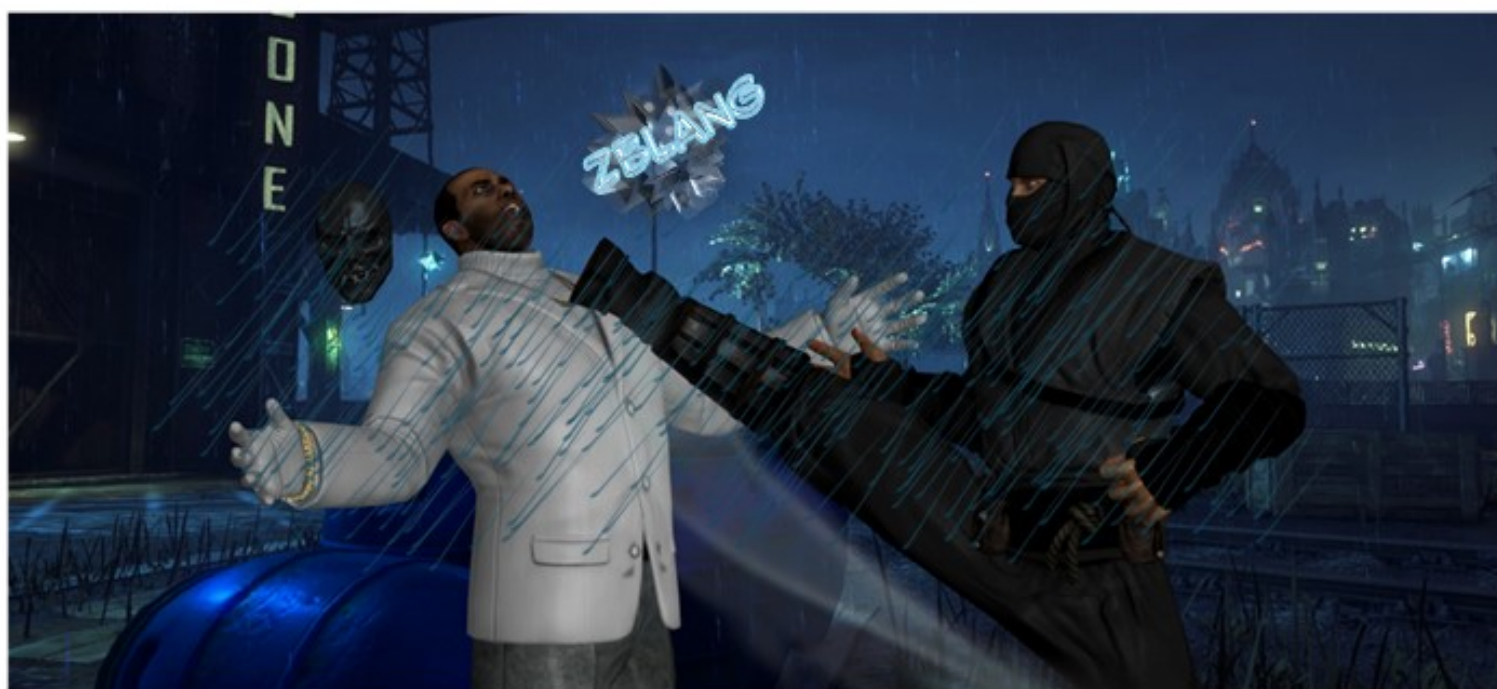

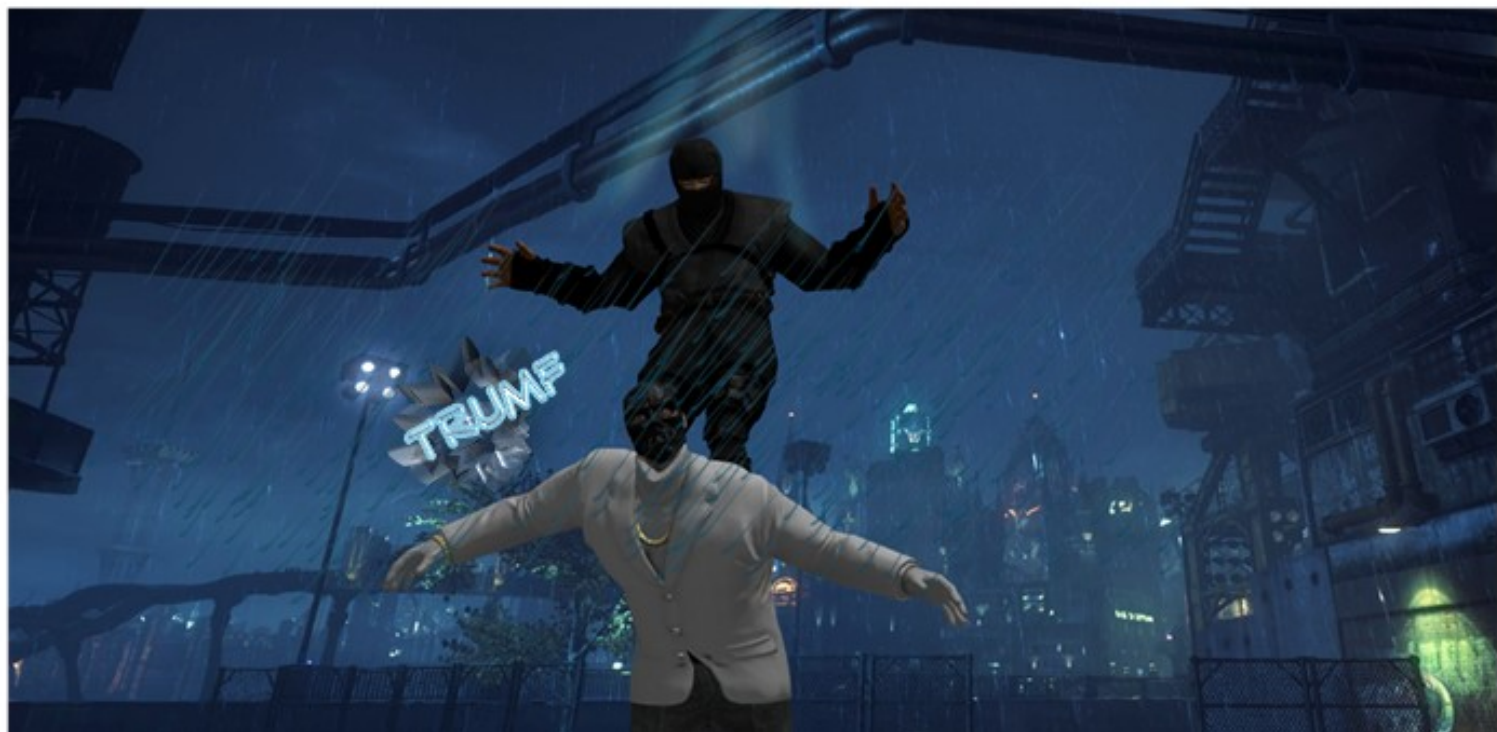

Me to, so... if you are interested in venom, just call.

You came...

You called...

Come here you bastard!!!

ARGH!!!

CLINK
BLINK

GCPD, Bruce Wayne here...

What happen to eye?

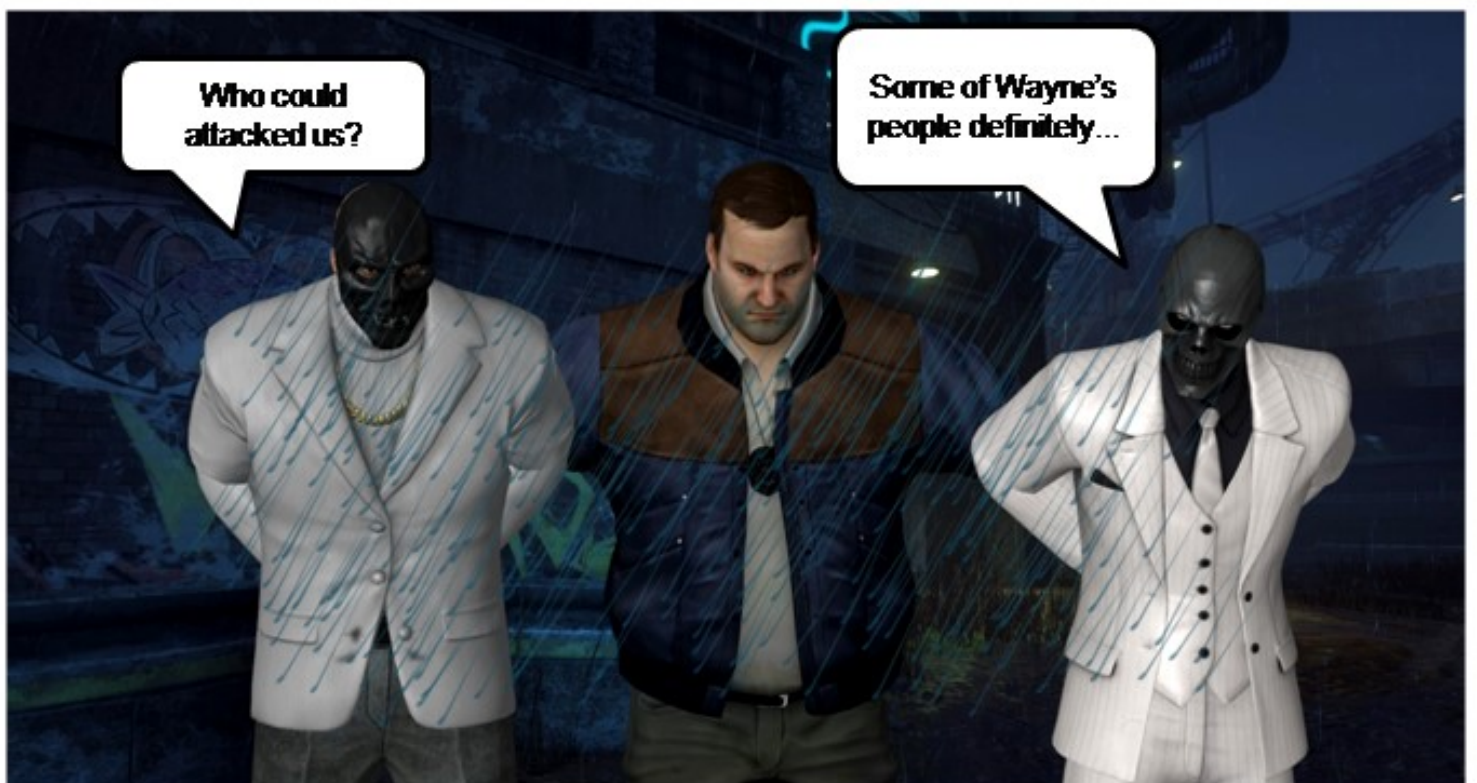

Ra's al Ghul...

10 million, kill
Bruce Wayne,
we're done!

What! Gunfire!

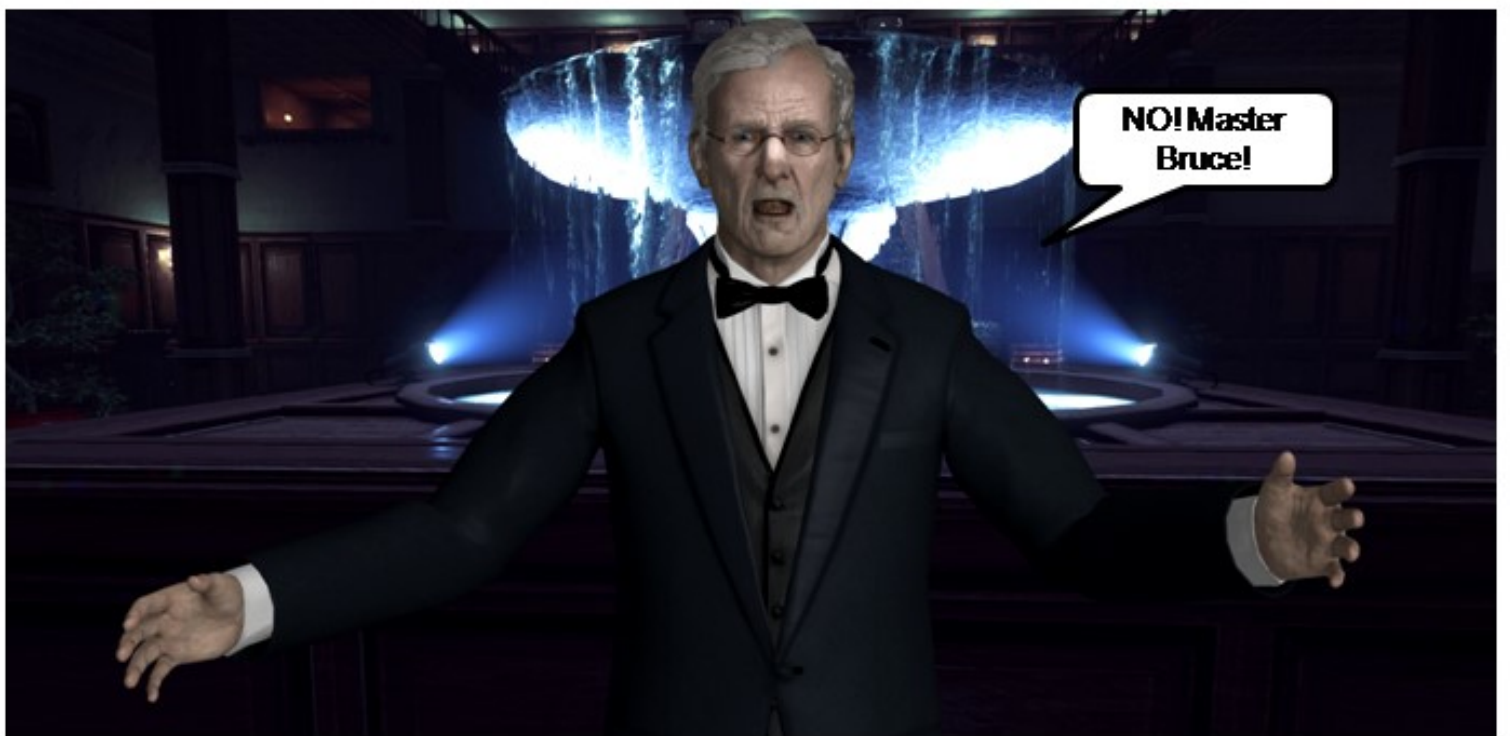

Always bad weather...

Alfred!!!

NO! Master Bruce!

3 days later...

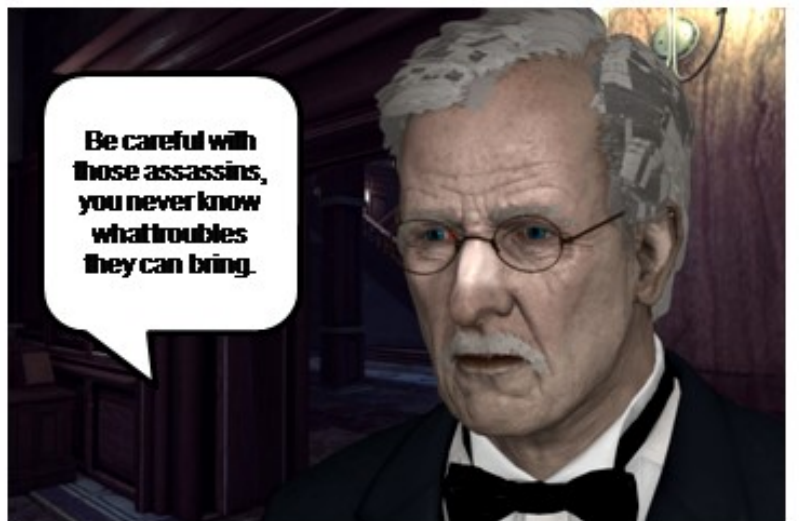

I hope that you have learned a lesson from what happened, you are not ready!

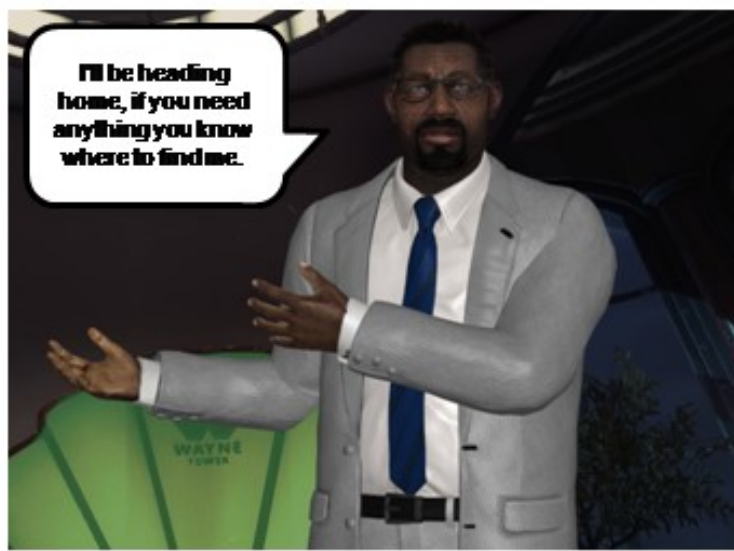

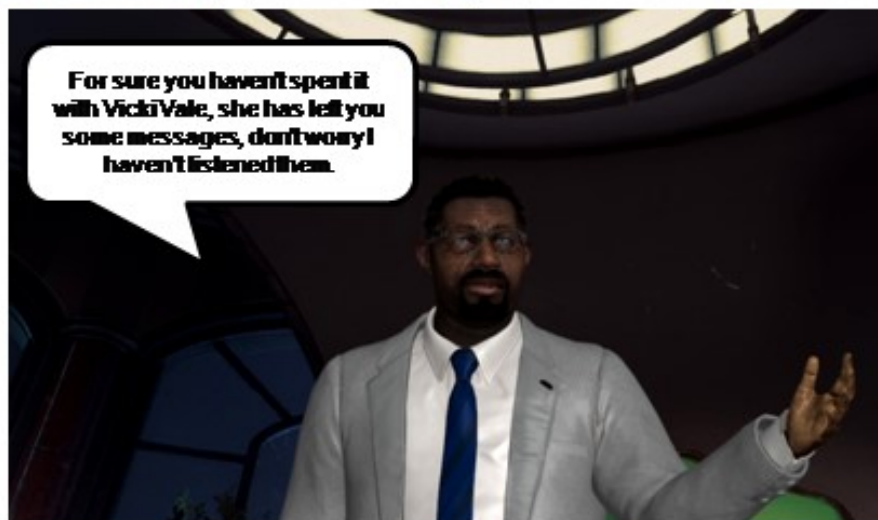

The letter of Demons Head, that'll be my training, and then I'll be ready.

Thank you Alfred.

Be careful with those assassins, you never know what troubles they can bring.

Home of the dirtiest in city...

Everything you see is work of people, corrupted people, and soon everything you see... will be a place... of... emptiness...

Anarky!

Anarky!
